## Group Schedule – Winter/Spring 2018

AFT provides education, advocacy, training, and support to families about topics unique to the adoption experience. Our groups include parents who have adopted children of all ages and races, domestically and internationally, children placed with other family members, and children with special needs. We also welcome adopted individuals, birth parents, foster parents, guardians & adults at any stage of the adoption process.

These are on-going, FREE groups that meet once a month. Feel free to drop in. For more info, contact: 800-277-5387 or
